

**BAMBADZI  
WATER  
PROJECT,  
ZIMBABWE.  
THANK YOU  
FOR YOUR  
SUPPORT**

**The Up to Date Position**

The borehole in the picture was repaired in September 2010 but we have heard in the last few weeks that the borehole has broken down.

We are pursuing various avenues, at the moment, for this project, which includes market garden areas, to go forward.

To date, the project has cost \$360.

The funds held are - \$2840 and £4635.

Pastor Marcus Thomas  
The Bridge Community Church
